

saath kahaniya

Chal guys, I think
we'll wind up for the
night

What do you want
to do in the morning
tomorrow?

I know! Let's
play cricket

Oh c'mon Prateek. Do
you think of anything
except cricket?

It's a useless
game anyways.

Don't say anything about cricket please. It's far from useless.

In fact it got me the best sex I have ever had in my life.

What!

Don't talk rubbish, Prateek

Did you think Asma and Aditya were the only ones with the interesting stories?

Are you serious?

Tell us what happened!

Ok, lol. Consider this your bed-time story.

This took place when I was playing for the college cricket team in second year...

It was after practice one afternoon...

You think you're ready for the next match, Prateek?

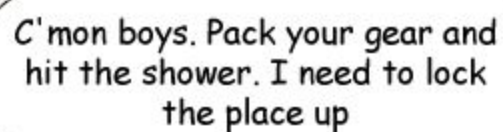

I'm always ready buddy!

Then see if you can hit this!

Shot yaar!

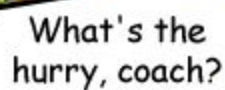

I hope you play as well in the big match against St. Andrews college next week

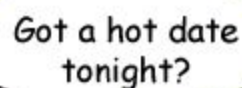

C'mon boys. Pack your gear and hit the shower. I need to lock the place up

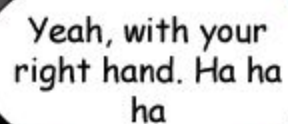

Maybe I do

What's the hurry, coach?

Got a hot date tonight?

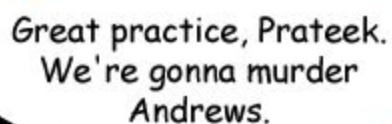

Yeah, with your right hand. Ha ha ha

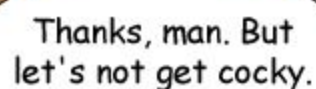

HA HA HA HA
HA HA HA HA

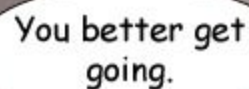

Later in the locker room

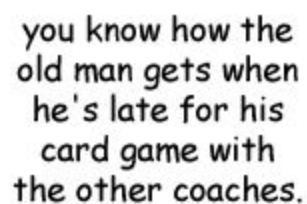

Great practice, Prateek. We're gonna murder Andrews.

Thanks, man. But let's not get cocky.

You better get going.

you know how the old man gets when he's late for his card game with the other coaches.

Everyone's in such a hurry all the time...

Oh Mitwa Sun Mitwa,
Tujhko Kya Darr Hai Re

Yeh Dharti Apni Hai,
Apna Ambar Hai Re

Hmmm, you spend longer in the shower than me handsome!

Who are you?

This is the men's locker room.

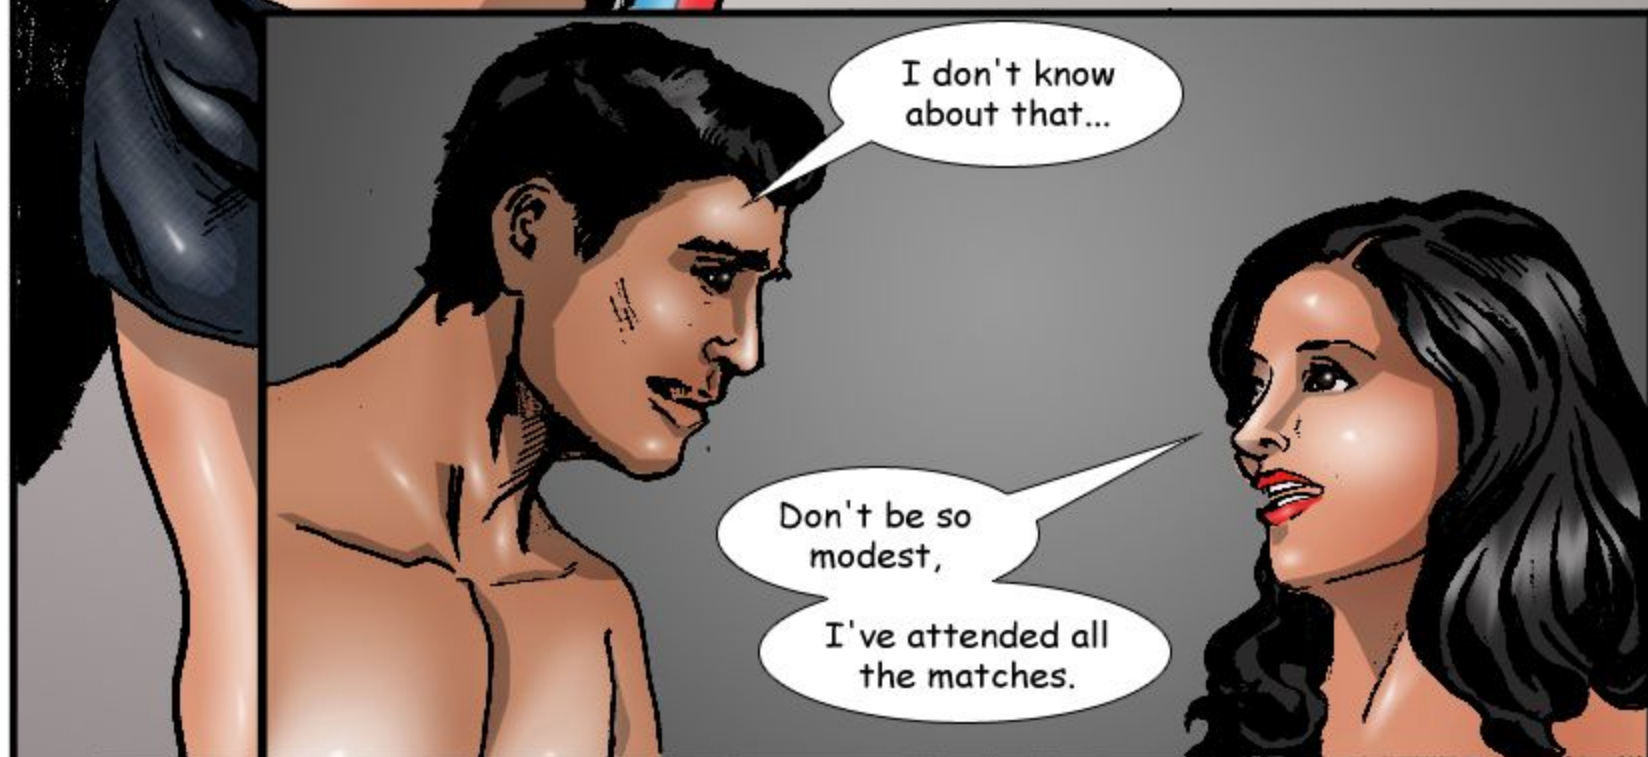

Oh, I'm just
a cricket
fan.

Really?

And I know you're
Prateek...

...the best player on
our team.

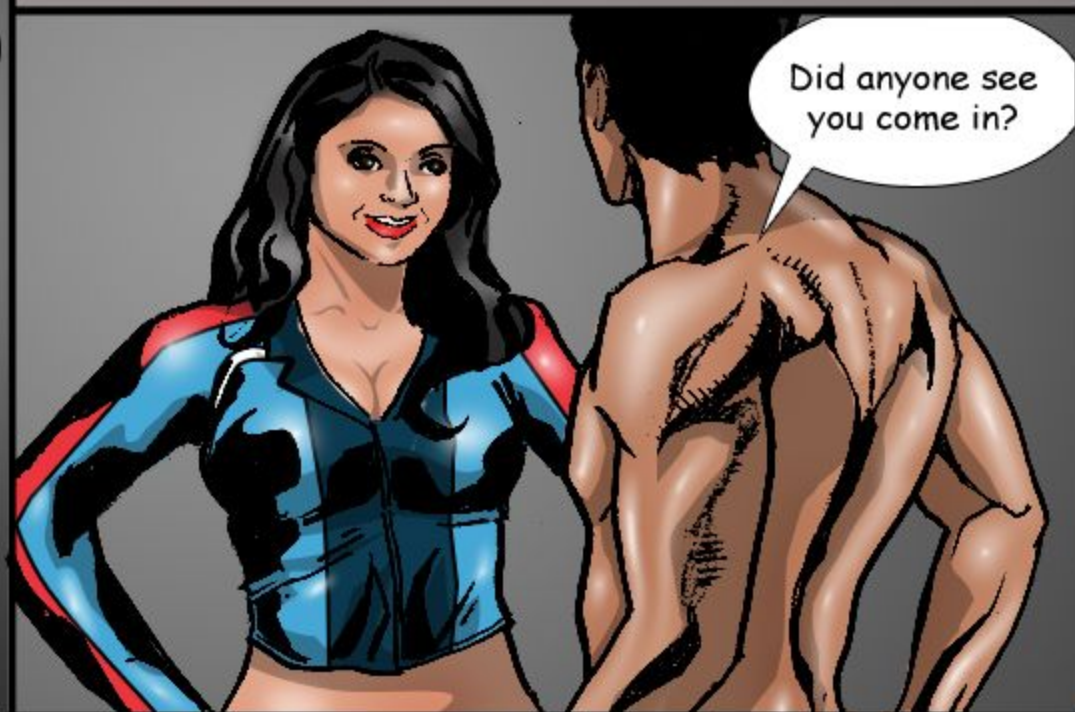

I don't know
about that...

Don't be so
modest,

I've attended all
the matches.

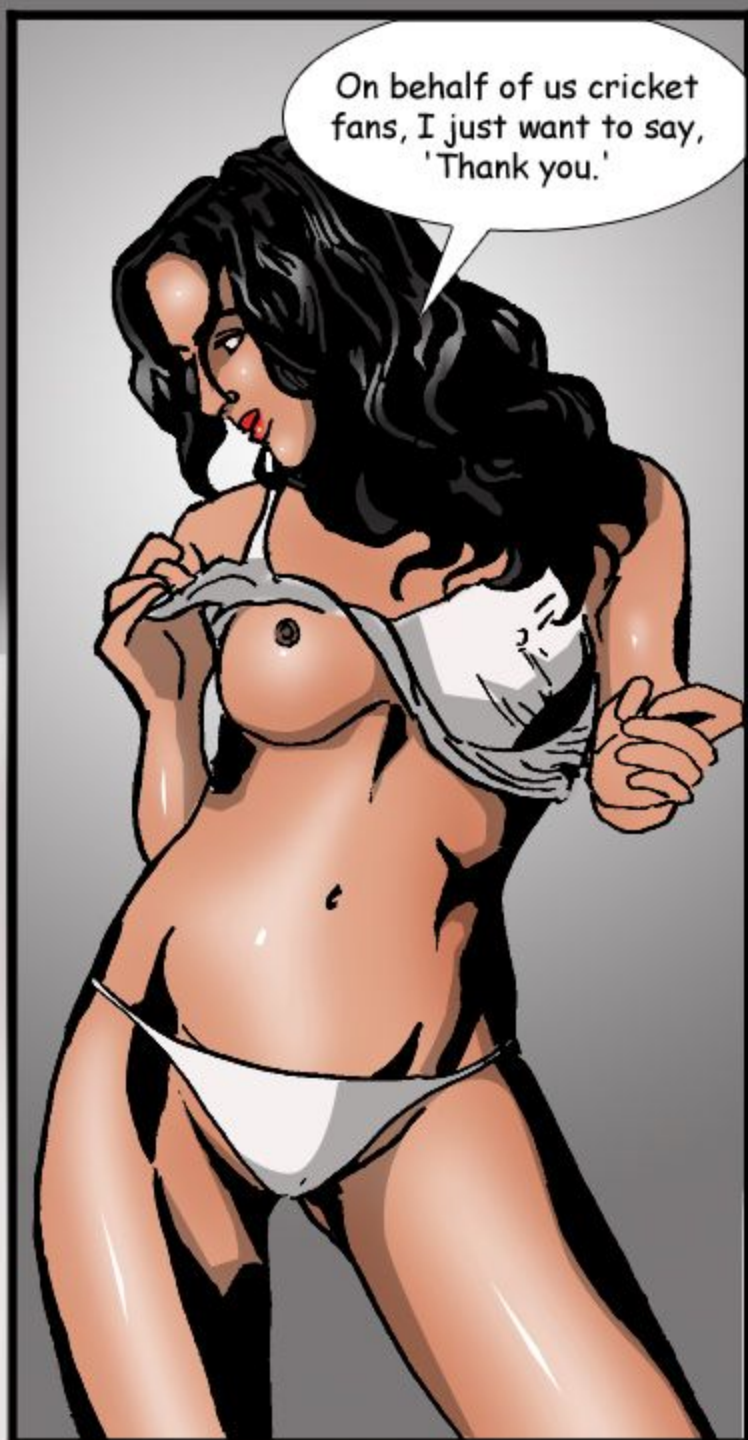

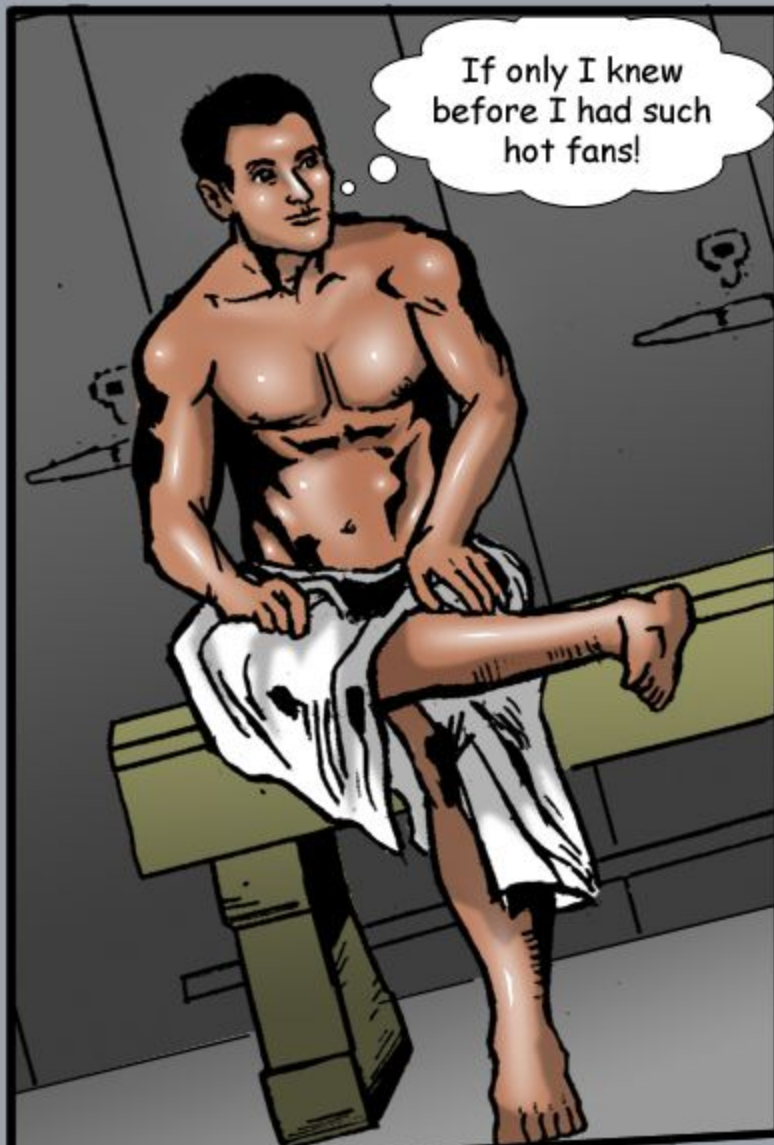

And I know
good when I
see it.

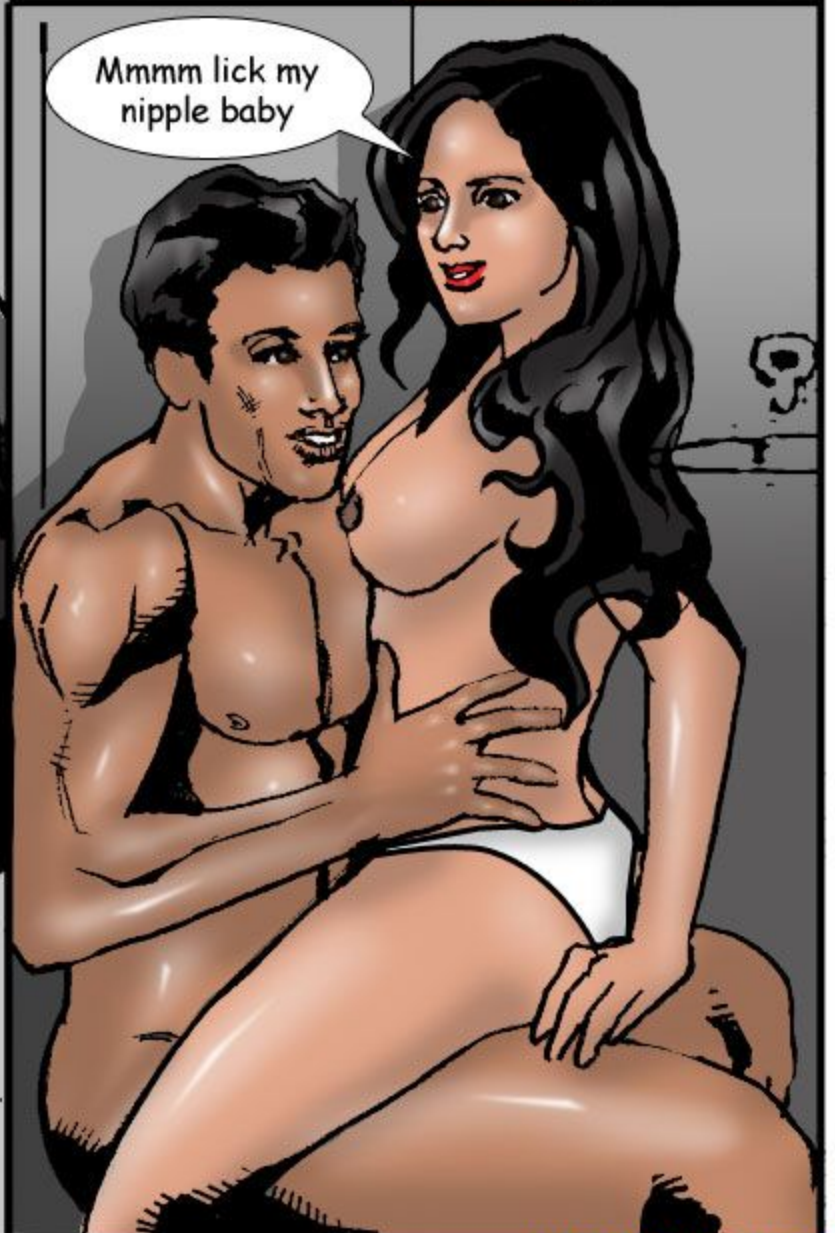

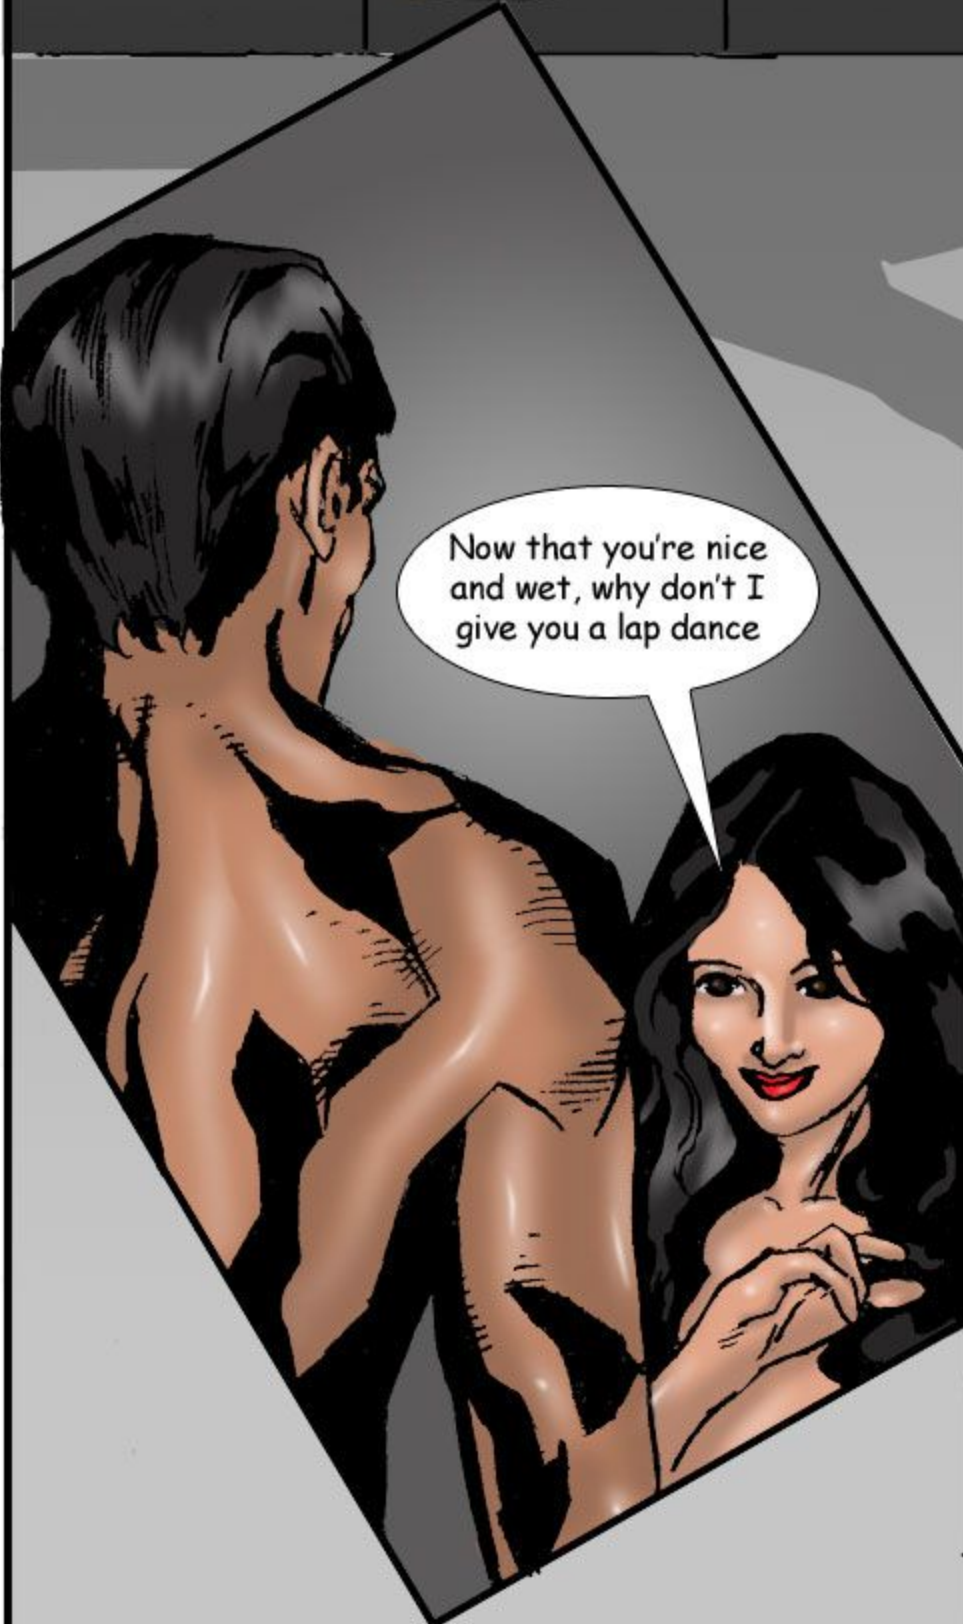

Did anyone see
you come in?

Your hard dick feels so good against my pussy.

Like this baby?

Turn around now

Oh No!

What's wrong?

It's...so...hard!

I've just cum in my
panties!

Just look at what
I've done?

Why didn't we have
fans this passionate
about cricket in my
day?

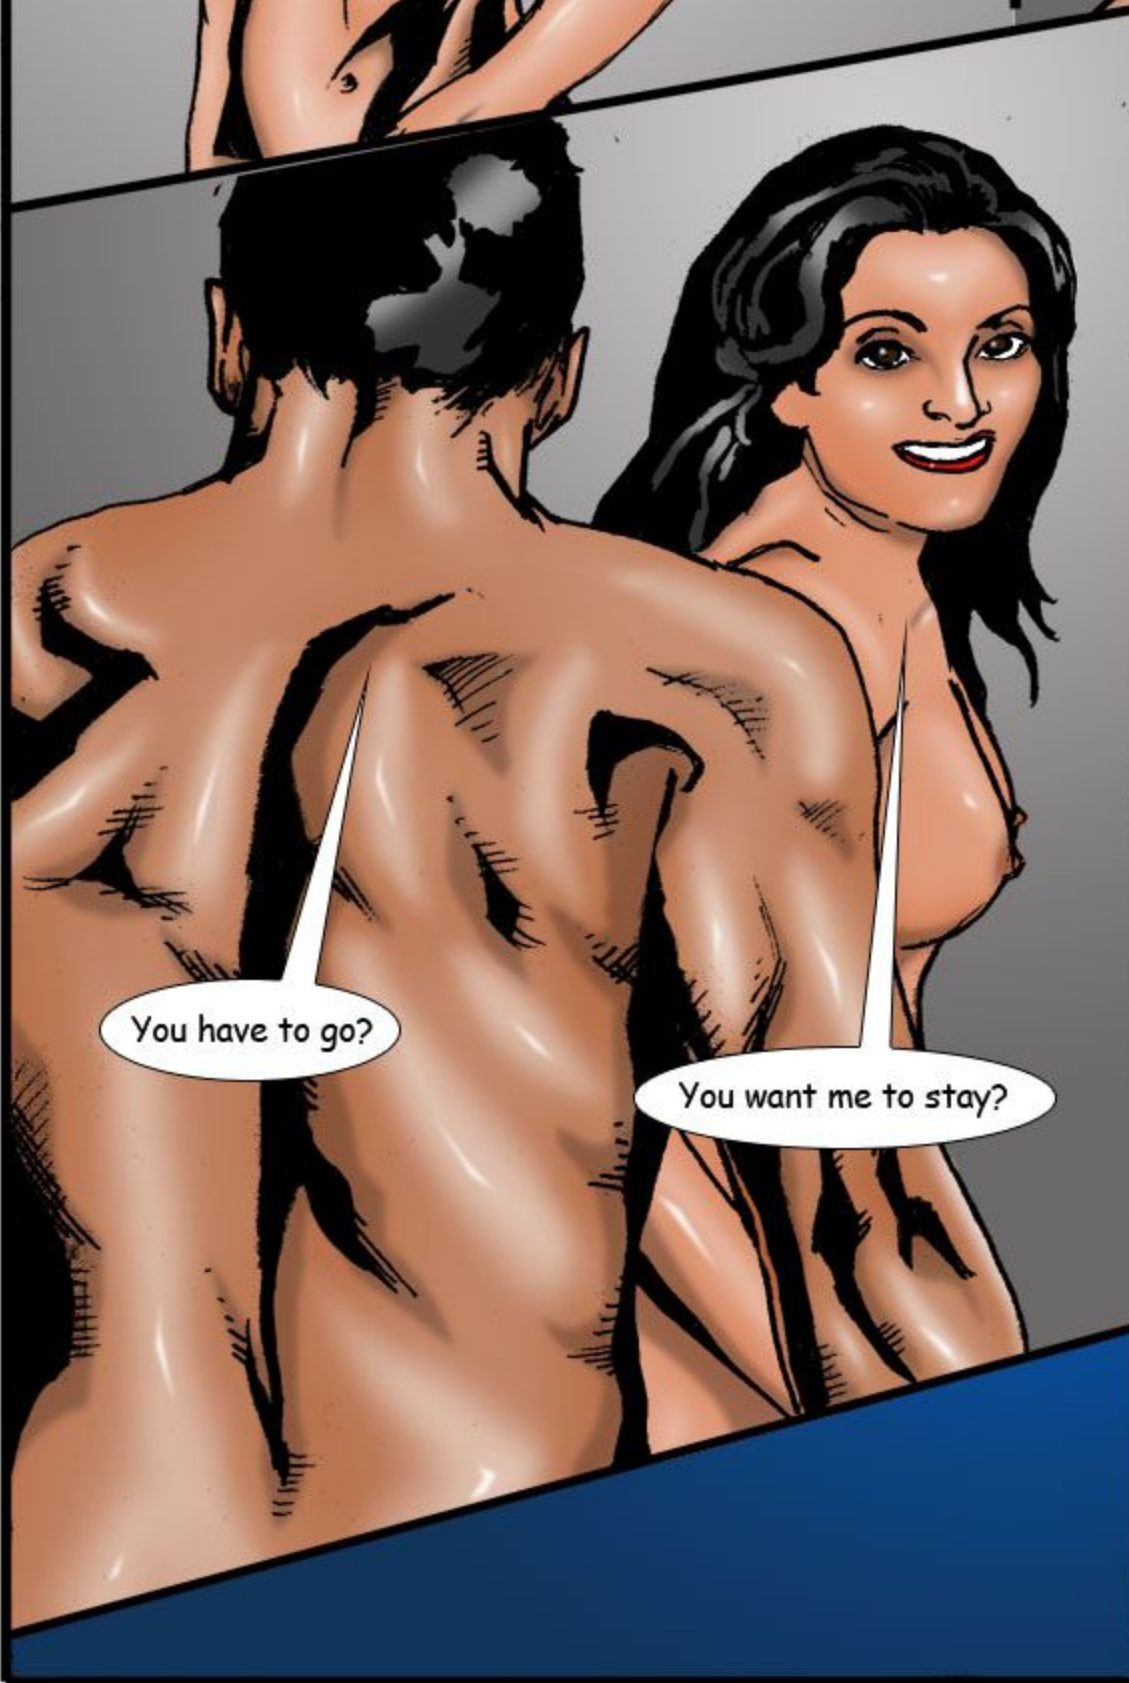

Oh my god, that
is so hot!

Now I have to go get another pair.

I better go now

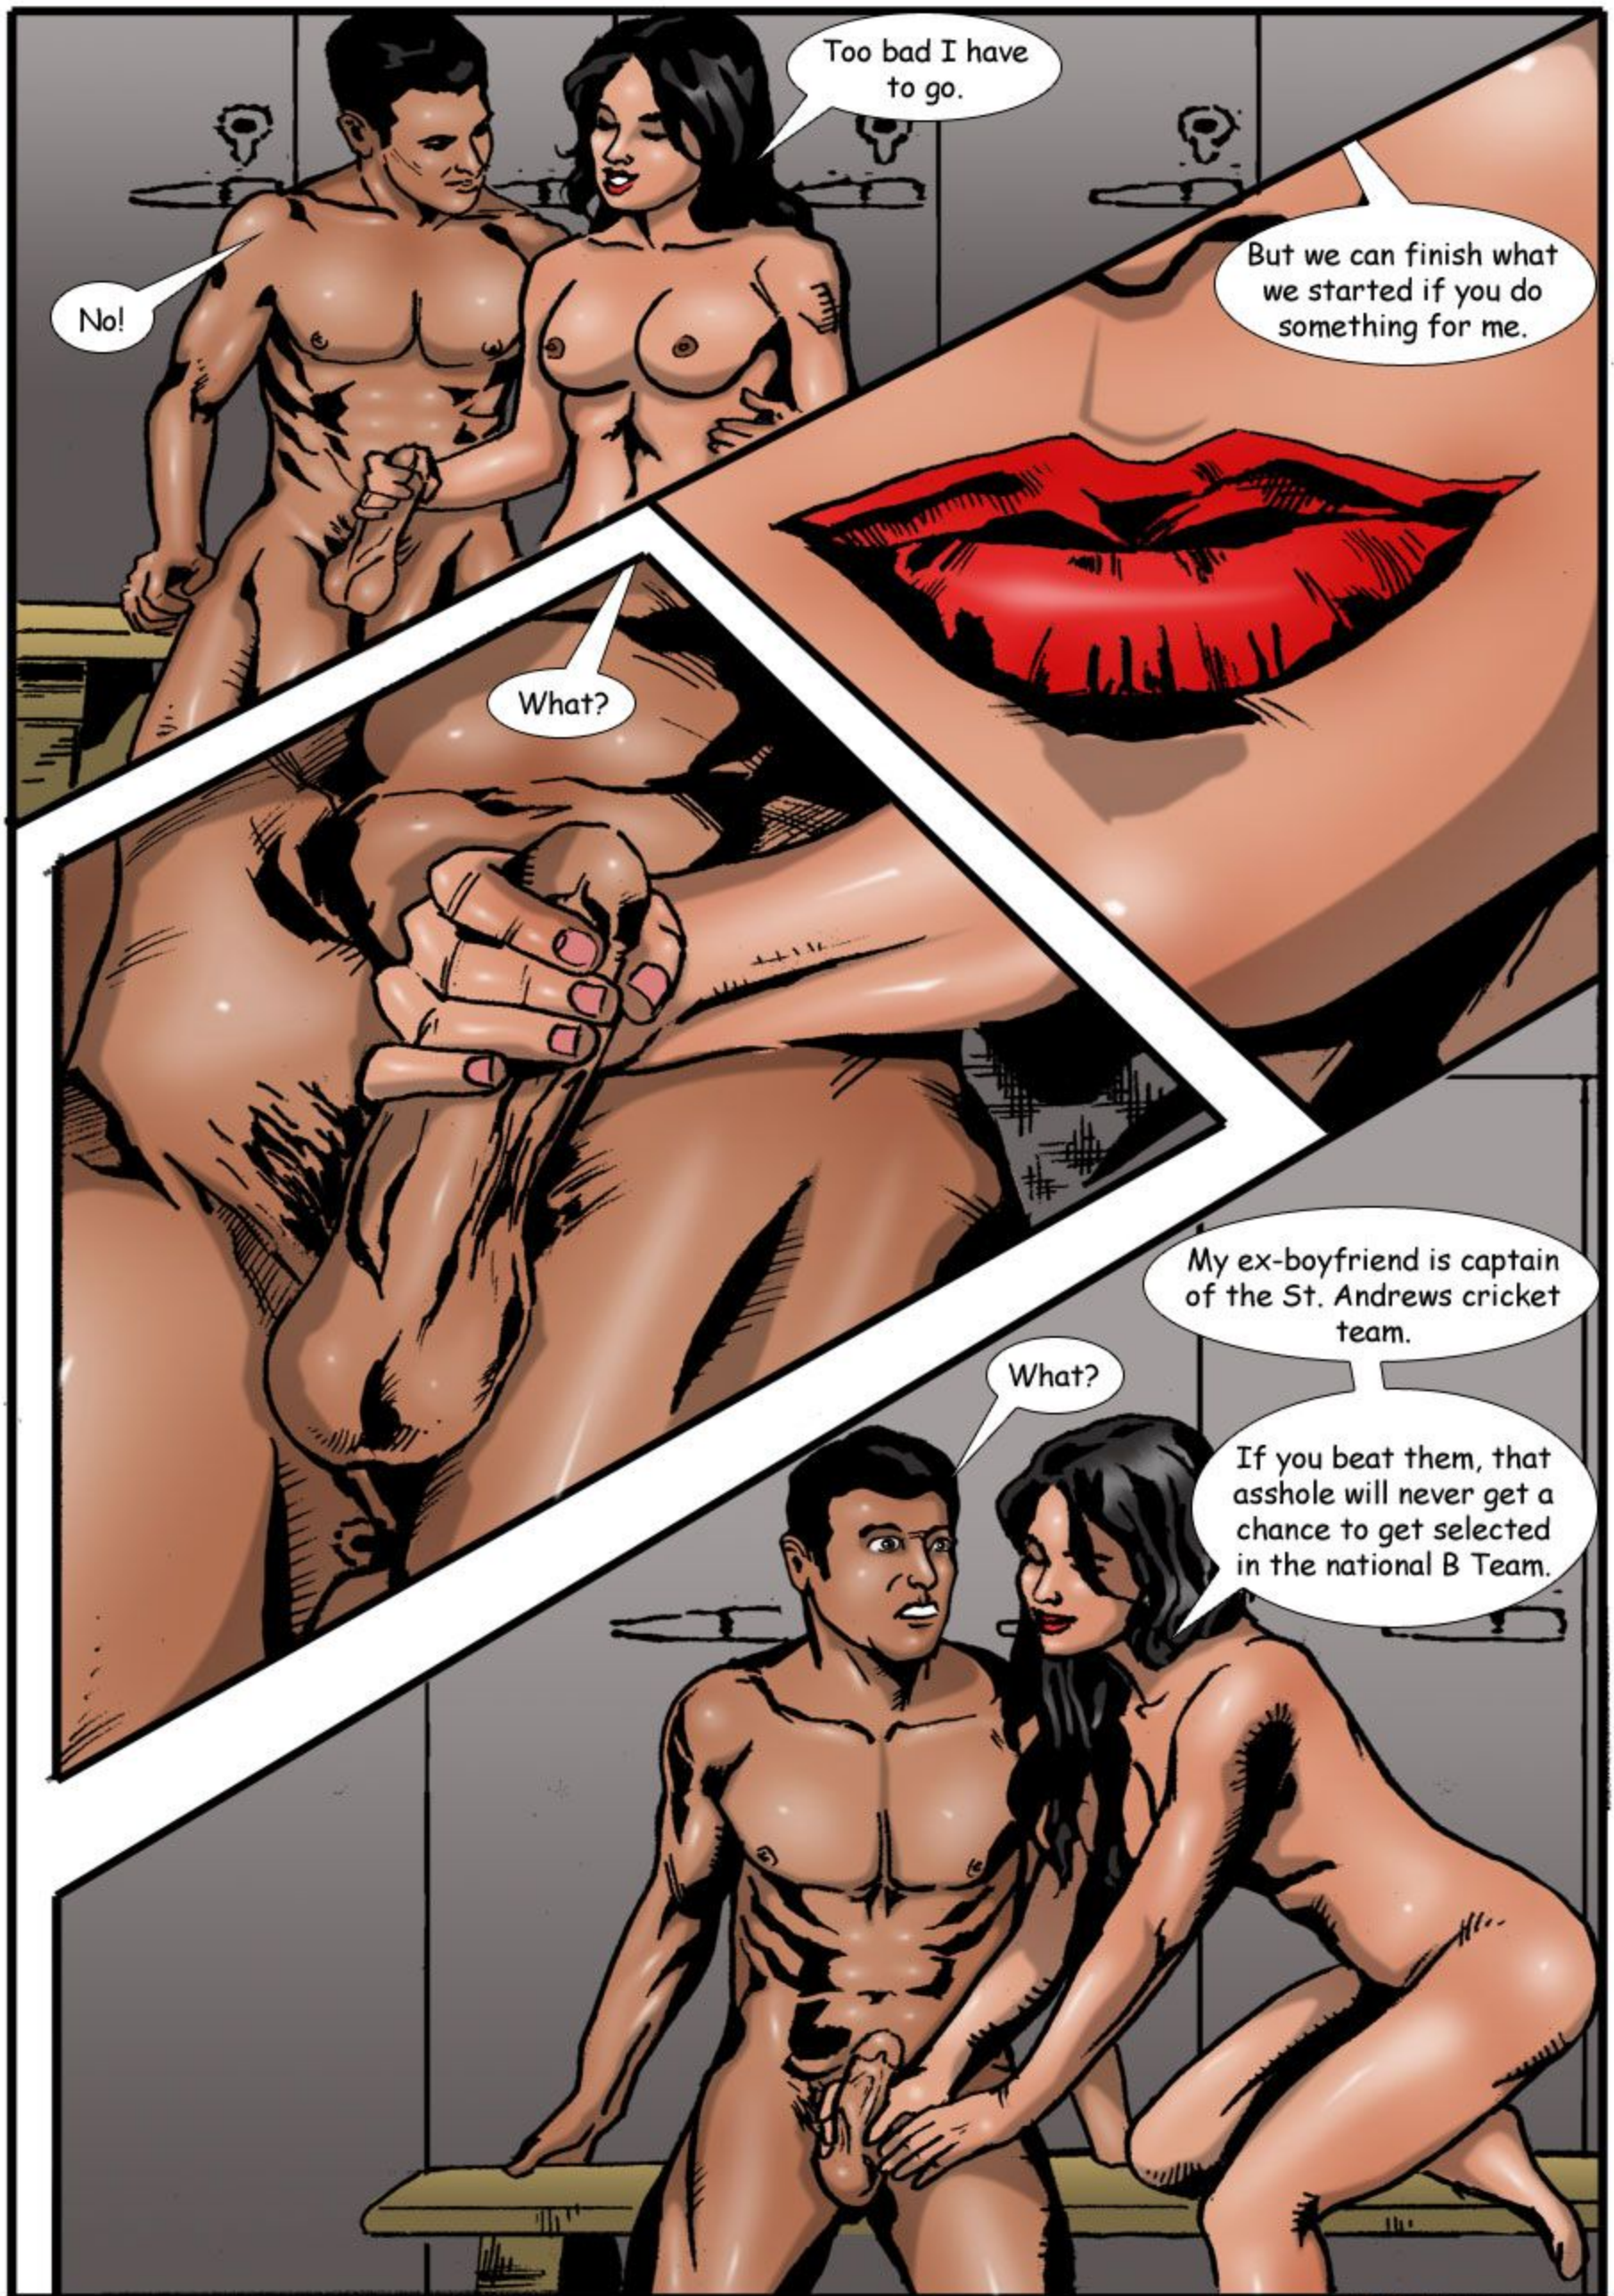

You have to go?

You want me to stay?

Y-y-yes!

No!

Too bad I have to go.

But we can finish what we started if you do something for me.

What?

What?

My ex-boyfriend is captain of the St. Andrews cricket team.

If you beat them, that asshole will never get a chance to get selected in the national B Team.

The following Saturday...

You look pretty confident, Prateek.

Their team seems pretty strong over there.

Let's just say I have a little extra incentive today.

ST. ANDREWS

First ball of the match

C'mon Bala, get his wicket

What a shot yaar!!
Four runs!

WHACK

FOUR

FOUR

FOUR

SIX

Shit yaar, they got 170 runs in 20 overs. It's all upto you now Prateek

I hope I didn't jinx the match by thinking of Nileen...

Second innings

90 FOR 5 WKTS
14 OVERS
NO. 1 NO. 7

Congrats on the 50 buddy. But we are still below the run rate

BOWLED

LBW

SIX

BOWLED

Oh, this is so exciting.

Just two balls and we need eight runs to win

C'mon Prateek, make this and I promise you I'll drive you crazy tonight

Second last ball of the match... Prateek goes for a big shot.... Ohhh.... hits the edge of the bat.... batsmen scamper across for a couple

Last ball remaining. Six runs to win

Last ball of the match

Full length ball...
here goes nothing

CRACK

Oh no, he's gonna
catch it!

OUT

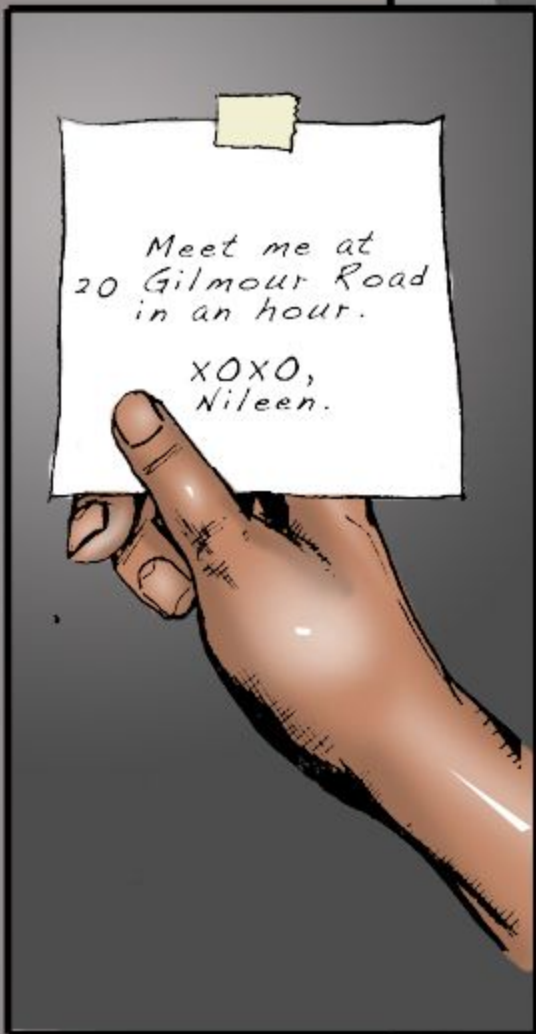

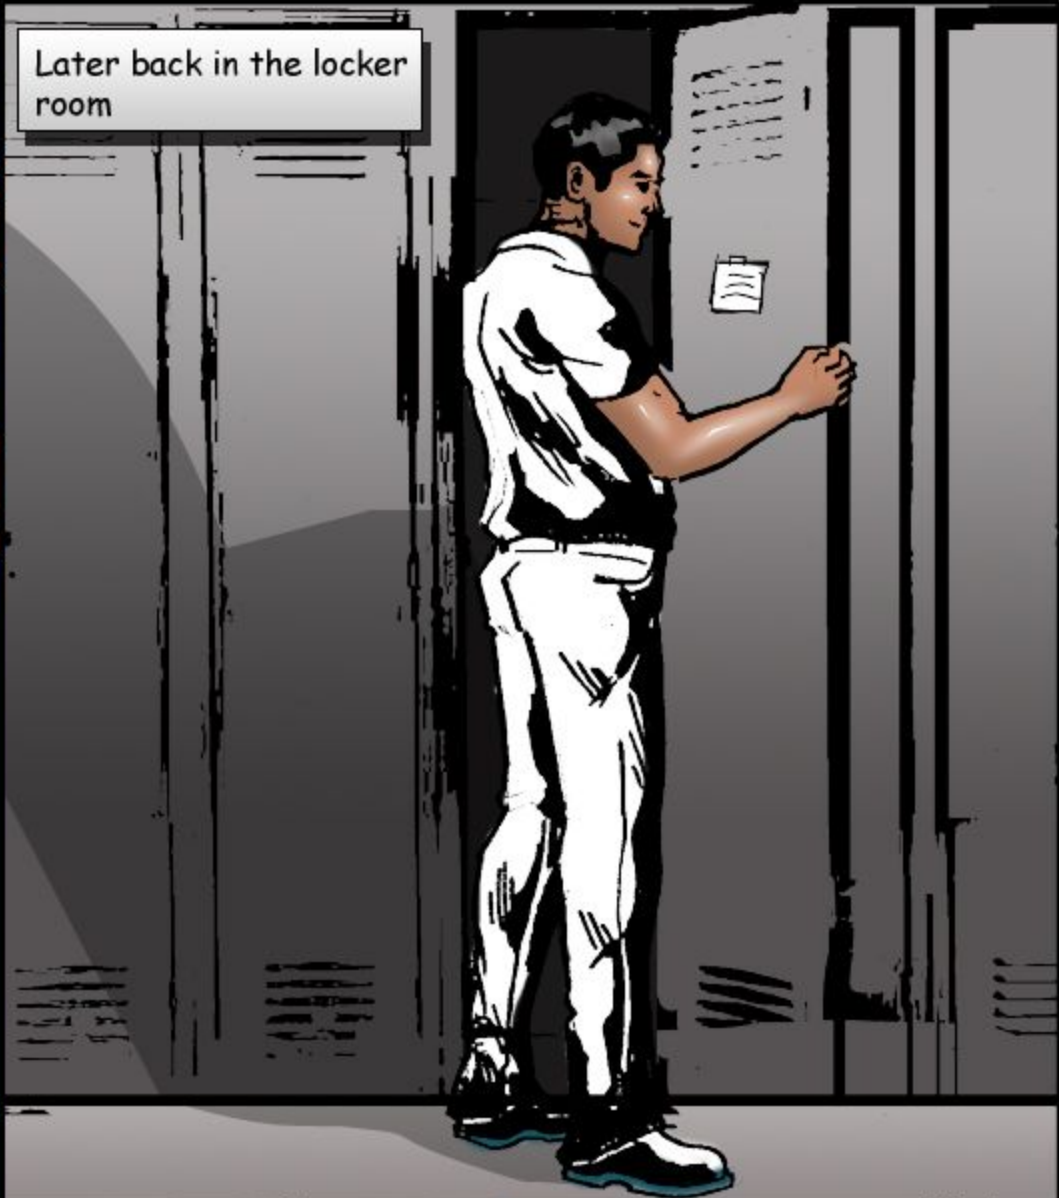

I did it! I did it!

Get ready Nileen,
here I come...

Later back in the locker
room

Meet me at
20 Gilmour Road
in an hour.

XOXO,
Nileen.

Hey, Prateek,
where you going?

Come out and
celebrate with
us.

Can't make it.
Next time.

Wow, that's the
quickest I've ever
seen him dress
after a match!

DING DONG

20 Gilmour Road

There's our hero. I could hardly wait.

I think I'm a little underdressed.

Nonsense. This is all you'll be wearing, as far as we're concerned.

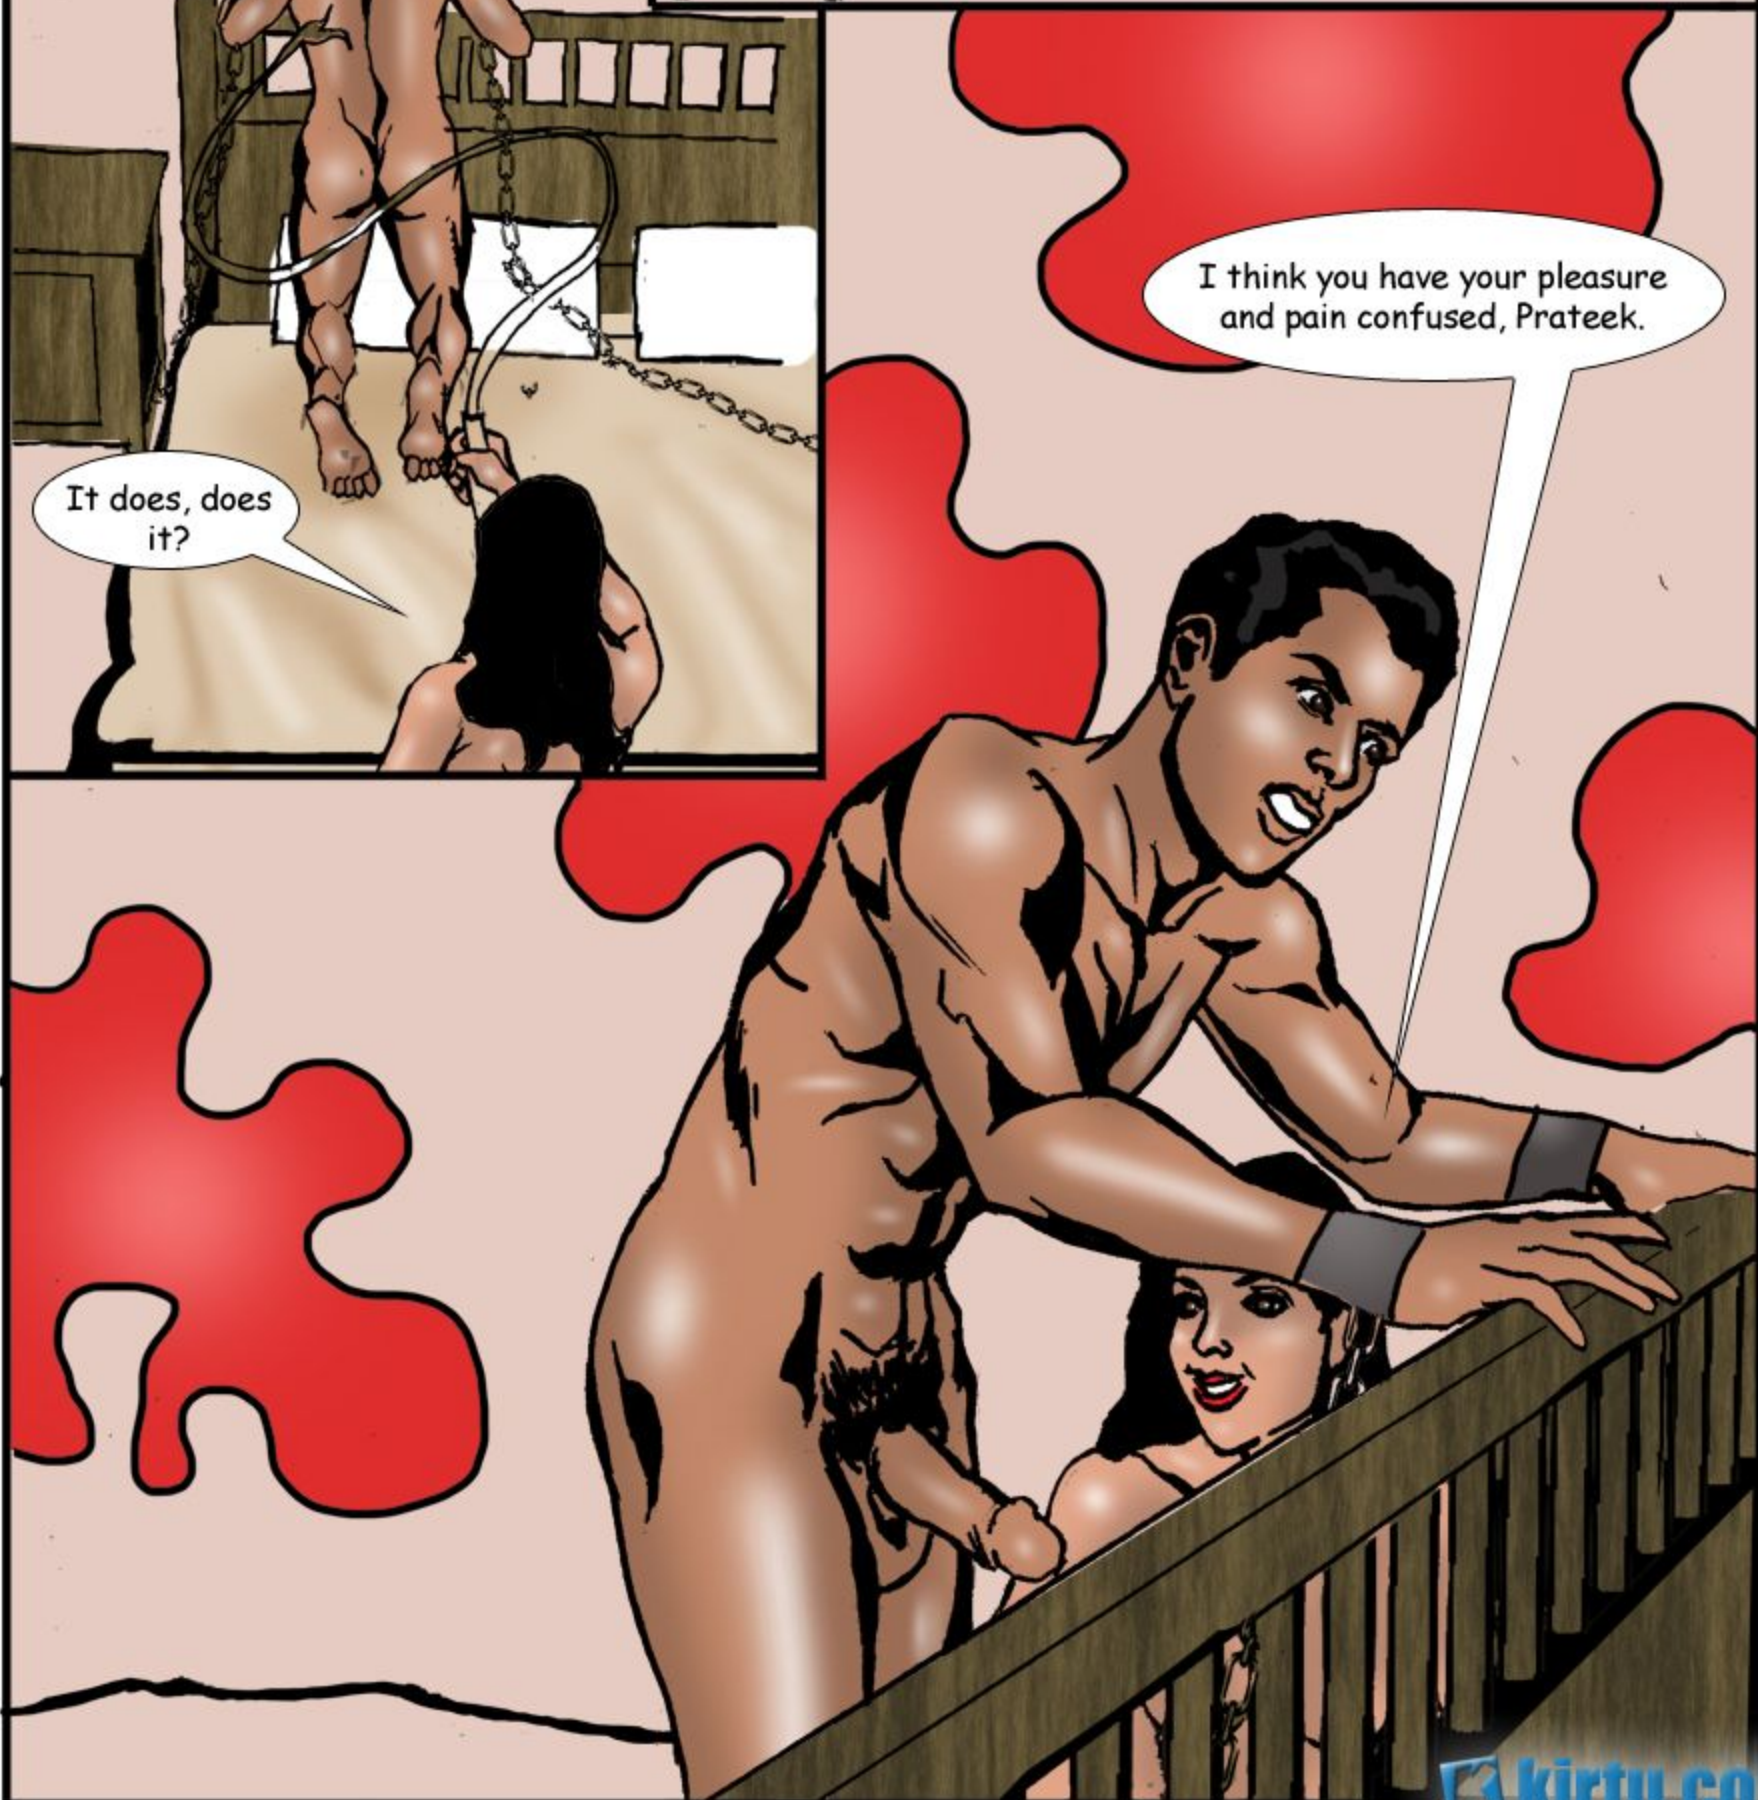

Before we get started, how much sex have you really had before, Prateek?

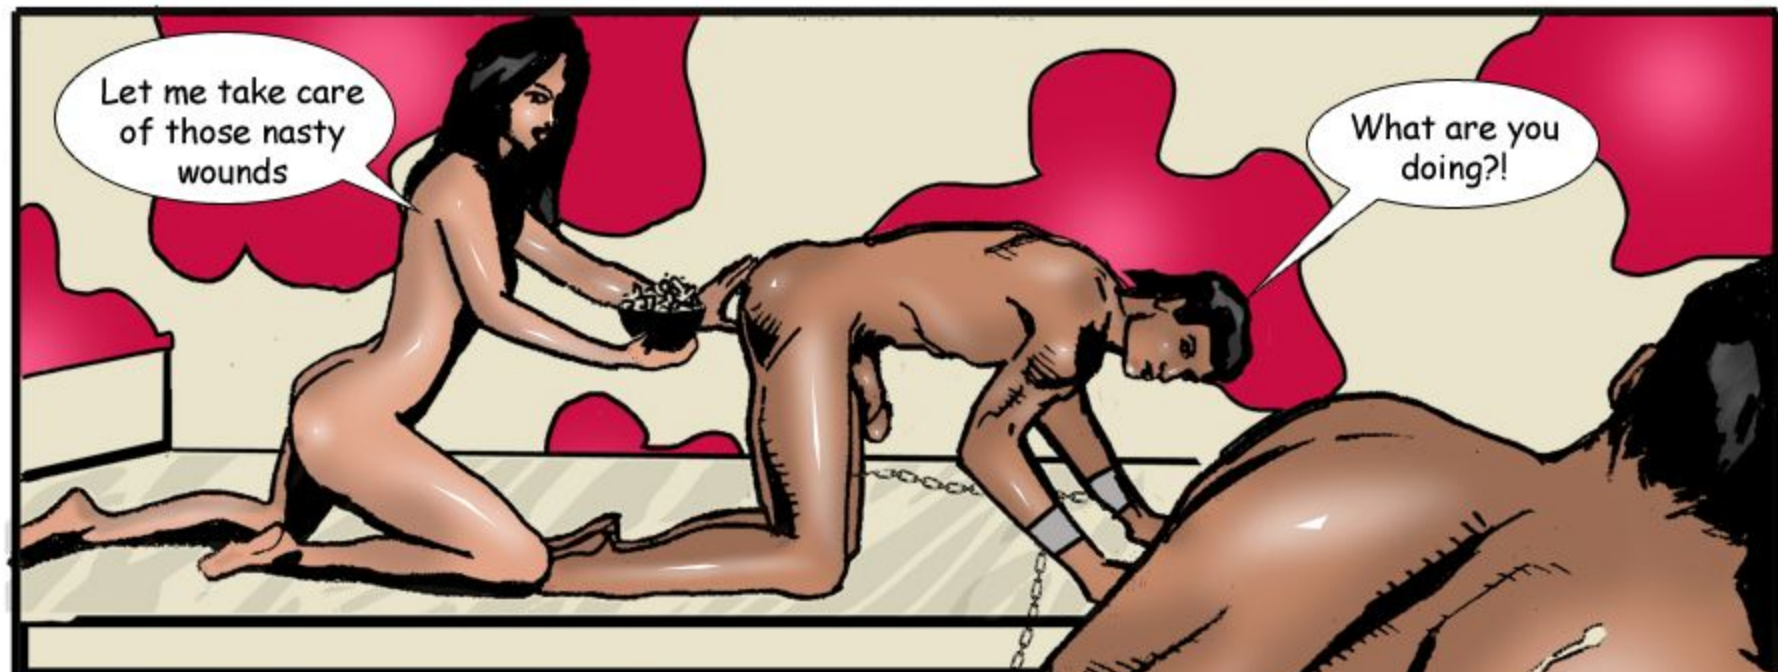

A few times, not too much.

That will have changed before the night is over.

Now, get undressed.

Let's see how tough you cricket boys really are.

Let me take care of those nasty wounds

What are you doing?!

Relax

Let me just kiss that boo boo

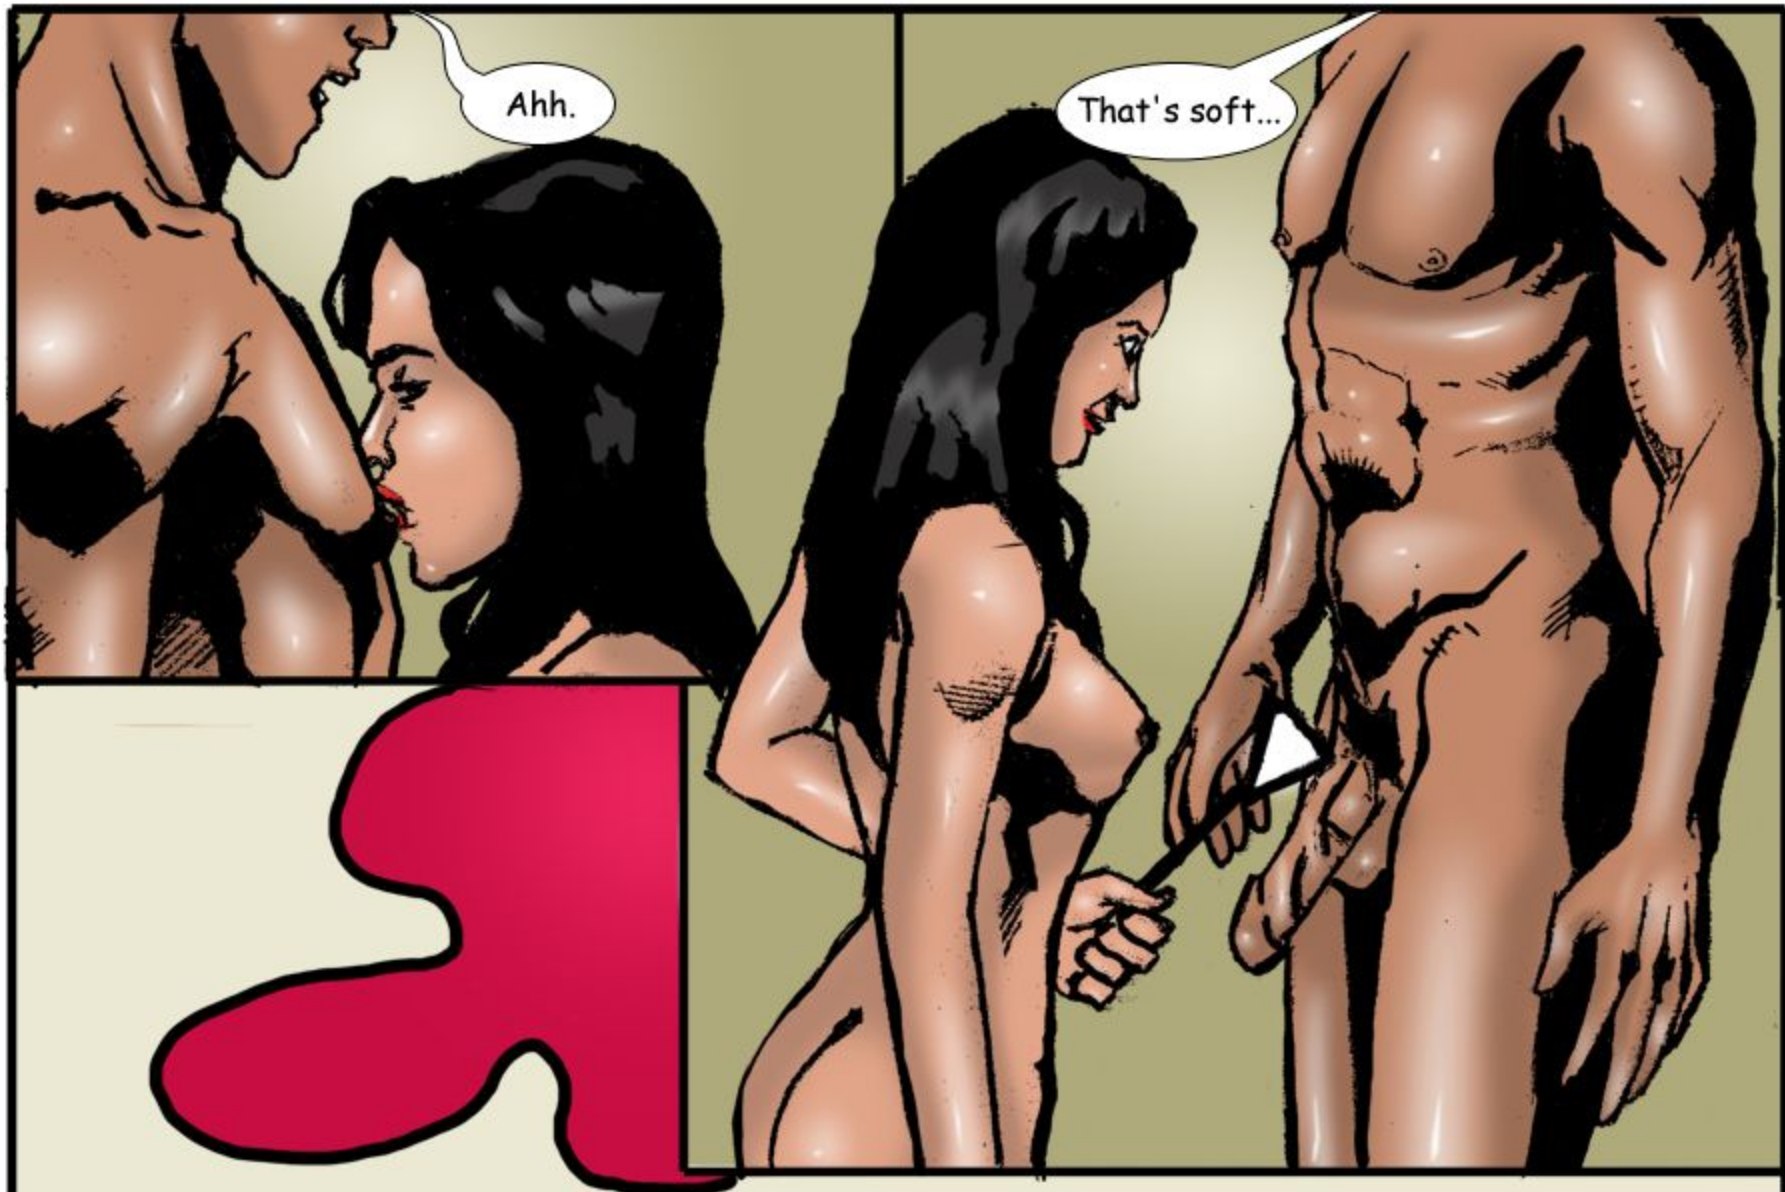

What now?

AHHH!

Now I'm going to make you forget all about your little sores

In ways you don't even know are pleasurable yet.

Wha?

I know what that is

Yes, ma'am,

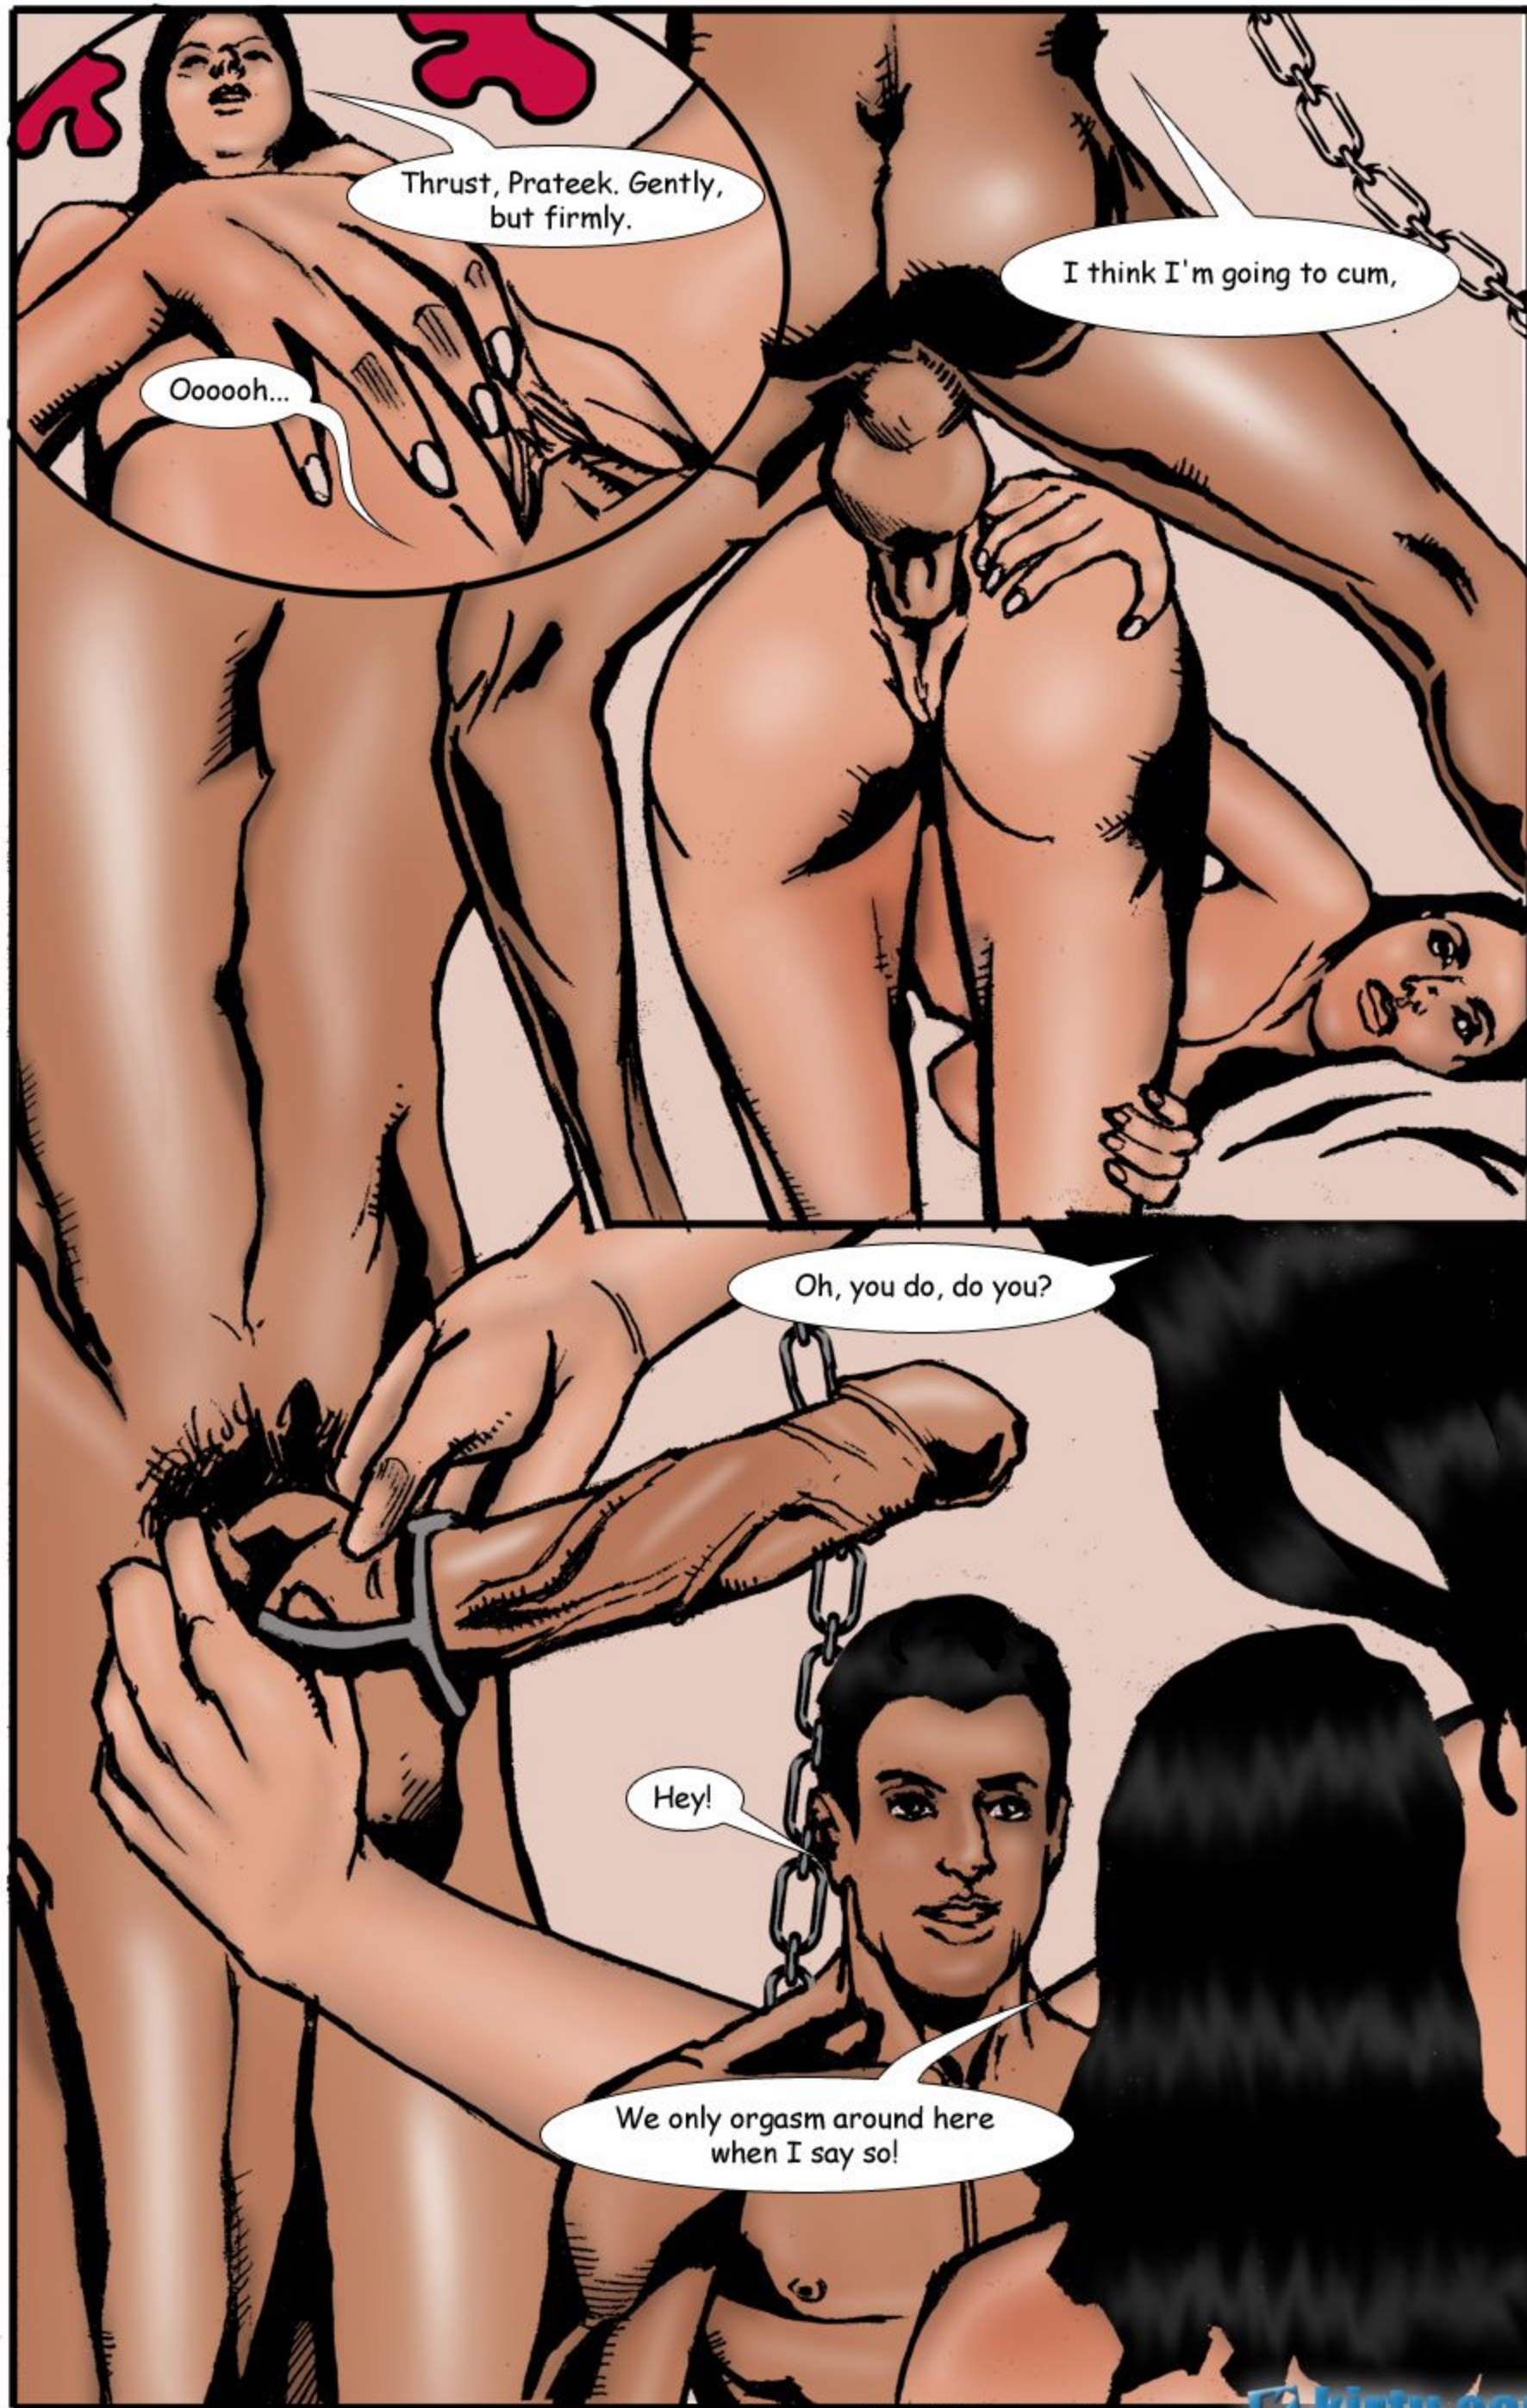

I didn't tell you to stop yet!

Keep licking, and go a little higher.

Don't forget that EVERY part of the body is an erogenous zone, Prateek.

But some are more familiar than others,

God, your pussy is so soft and wet

Thrust, Prateek. Gently, but firmly.

I think I'm going to cum,

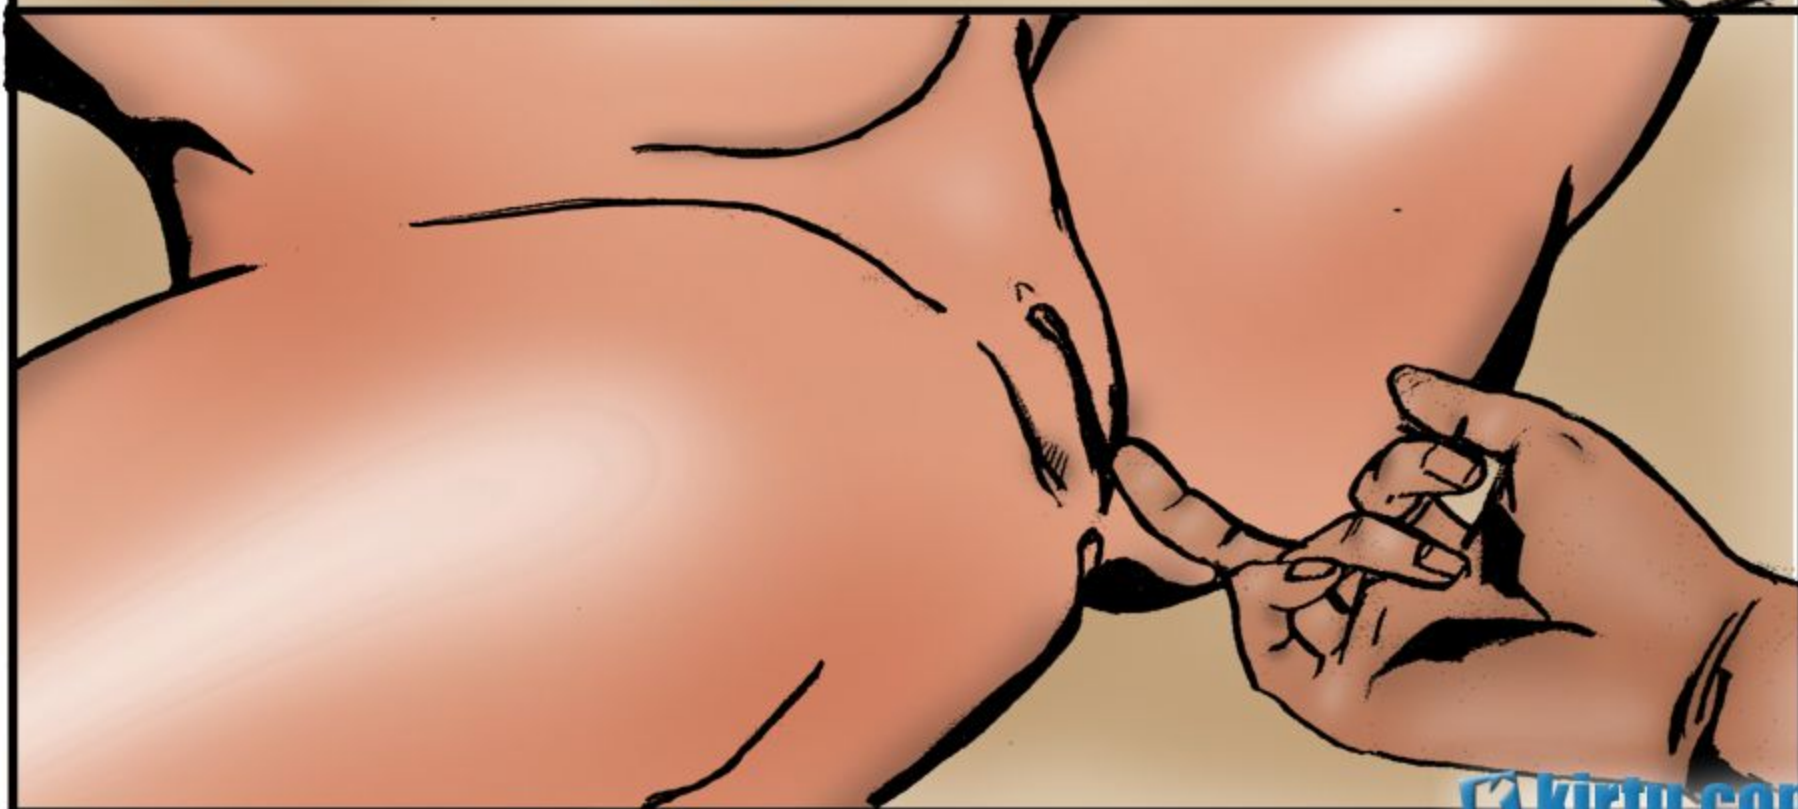

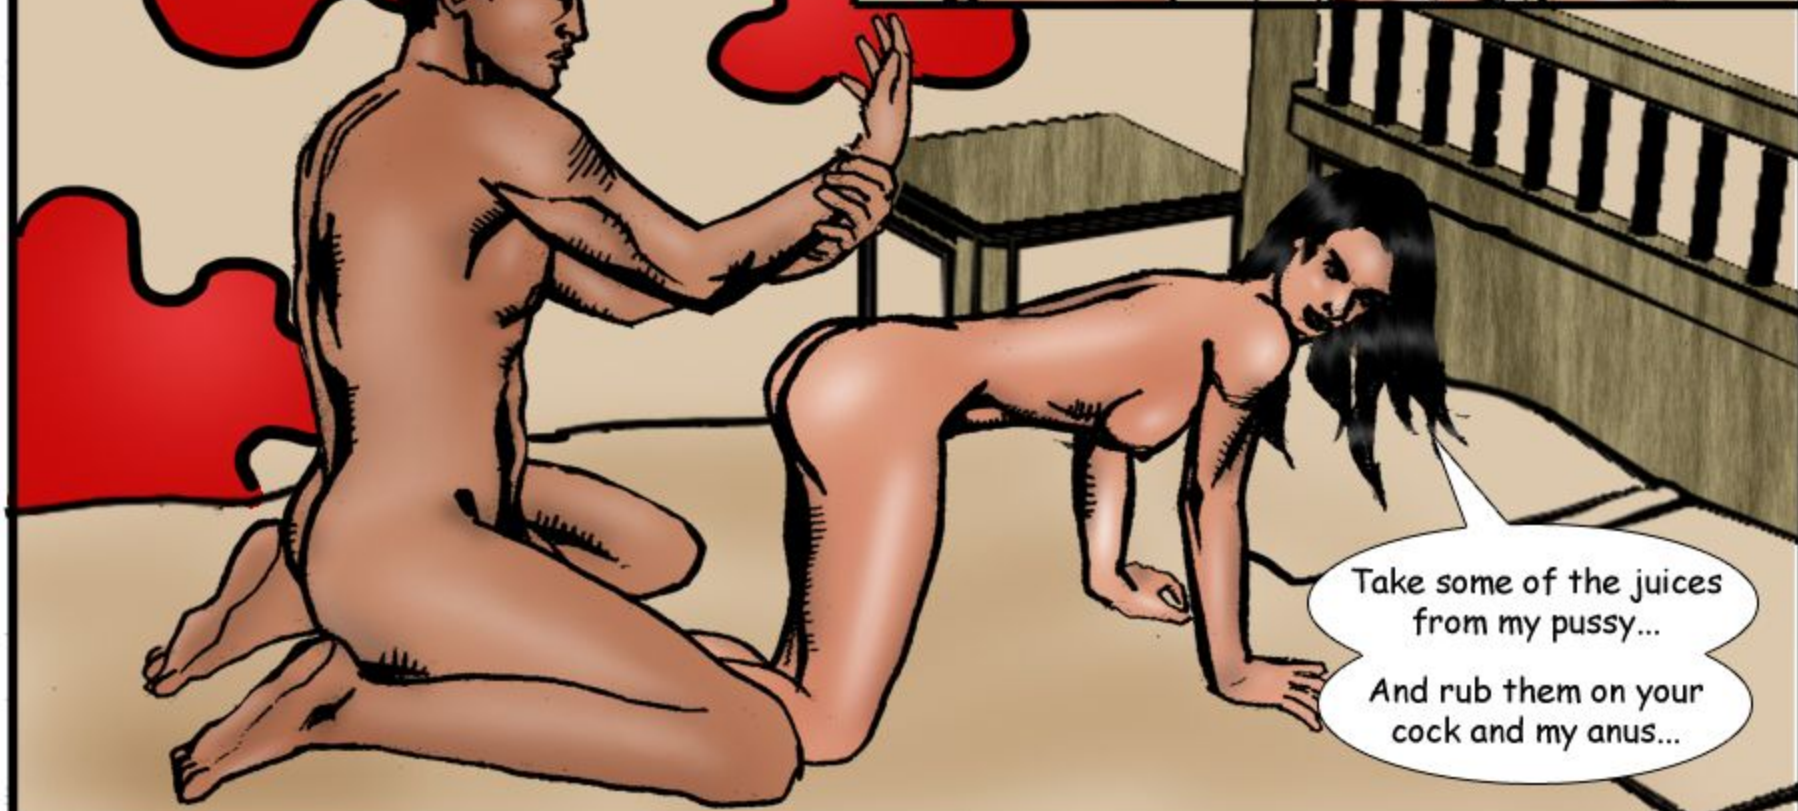

Ooooooh...

Oh, you do, do you?

Hey!

We only orgasm around here when I say so!

...And fuck me in the ass
until you cum inside!

ARGHHH!!!

Oh, we're just getting
started, big boy.

That was amazing! I only wish
it could have lasted longer.
